## DW SERIES TOOLBAR

**DW6028 – 27-1/2’**  
**DW6032 – 32-1/2’**

**DW6035 – 35-1/2’**  
**DW6040 - 42-1/2’**

**DW6035 – 37-1/2’ HYD. OUTBOARD WINGS**  
**DW6040 – 42-1/2’ HYD. OUTBOARD WINGS**  
**DW6045 – 47-1/2’ HYD. OUTBOARD WINGS**  
**DW6052 – 52-1/2’ HYD. OUTBOARD WINGS**

The **DW Series Toolbar** is built to meet individual needs. Front to back rank is 60”, which is the widest in the industry. Heavy construction of 6 x 4 rectangular tube gives you the strength you need in today’s environment.

This unit features the versatility of handling 15” to 36” row spacing. Down flex of 24 degrees on the wings allows the toolbar to travel over even the roughest of terrain, keeping the fertilizer in a more even soil depth. Hydraulic folding wings, fold-over 45 degrees and gives you more road transport clearance.

Options available are hydraulic gauge wheel walkers, single lift wheels & gauge wheels for side-dressing, Raven metering systems, ground driven pumps, manifold systems, disc sealers and coulters.

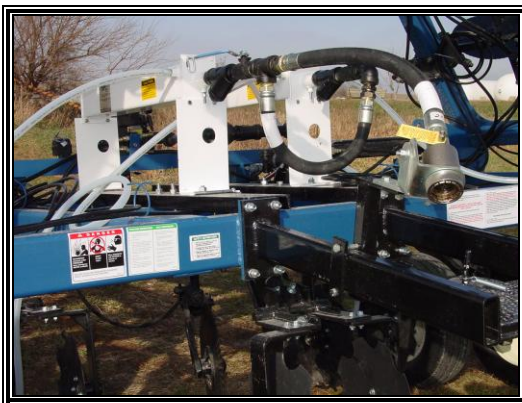

Pull out and swing away wagon hitch

Heavy duty wing hinge with extra long hydraulic pin slot for extra wing travel – 2” grease-able pivot pins

1-1/4” quick coupler is standard

Flat fold outer wing with mechanical lock-down

Available with walker axles on lift and gauge wheels, 2” grease-able pivot pins, tapered wheel bearings in walker with grease zerk
